Supporting Change and Reform in Preservice Teaching in North Carolina

Recent emergency measures have forced many early childhood instructors to shift to online instruction. The purpose of this webinar is to provide ideas and supports to help in making those shifts. We'll offer ideas for content resources, share options for ways to use technology (e.g., to hold large and small group discussions), and suggest possibilities for alternatives to assignments (e.g., observation using videos instead of classrooms).

If you would like suggestions for how to make over an assignment or activity, please submit it to [scriptnc@unc.edu](mailto:scriptnc@unc.edu) by 5 pm EST on March 25, 2020. Please include a brief description of the shift you are seeking (e.g., from face-to-face to online).
